Hi Jennie,

Thanks but it looks like we need to sign in to an Office 365 account to access that link and we don't have Office 365 yet. Seems like we may also be able to sign in with a 'Microsoft account' but I don't have that either. I would hope the Ken Edwards would send out an updated link if the URL had changed... Maybe Toby's link is just for EPA staff so you don't all have to download your own versions of the NH report? But thanks for thinking of us!

Susanne
